

## **Dayton Power and Light Online Marketplace Rebate Terms and Conditions**

**May 1, 2018**

Refer to the information below to ensure you are eligible for Dayton Power and Light's (DP&L) Residential Marketplace Rebates.

### **Incentive Offer**

This offer provides rebates for the purchase of new, installed qualifying products and is not dependent on the purchase of any other product or service unless indicated. The rebates on this marketplace are available to residential homes or residential rental buildings with electric service in DP&L's service territory. DP&L rebate cannot exceed the cost of the product or service. Product must be purchased through this marketplace and installed and operational by December 31, 2018. DP&L reserves the right to alter or discontinue the rebate offer at any time without notice. Rebate funds are limited and are available on a first-come, first-served basis.

### **General Eligibility**

Applicants must have an active DP&L residential electric account. Equipment must be installed in the DP&L service territory and at the premise address of the account used for validation. Each residential account is limited to one smart thermostat rebate and rebates on 40 light bulbs.

### **Compliance**

All equipment must be purchased new. Existing equipment must be removed or permanently disconnected.

### **Account Number**

I authorize the use of my DP&L account number and any information provided on this form for use in program administration and evaluations.

### **Post-Installation Survey**

I agree I may be contacted to complete an online or phone survey for program evaluation purposes.

### **Verification**

A random survey or inspection by a DP&L representative may be conducted to verify installations. Making false statements on any DP&L rebate application is punishable by law. Any and all funds determined, in DP&L's sole discretion, to have been acquired on the basis of fraudulent or misrepresented information must be returned to DP&L. DP&L reserves the right to refuse payment and participation if the signatory(ies), applicant(s), customer(s) or contractor(s) violate program rules or procedures.

### **Tax Information**

Rebates may be subject to federal and/or state income tax reporting. Applicant is responsible for contacting a qualified tax advisor to determine tax liability. If you purchase an energy-efficient product for your home, you may be eligible for a federal tax credit. Visit [www.energystar.gov/taxcredits](http://www.energystar.gov/taxcredits) for more information. DP&L is not responsible for any tax liability imposed on the customer as a result of the payment of incentives.

### **Customer Information and Energy Savings**

DP&L reserves the right to disclose your account number and consumption data to its subcontractors for the sole purpose of administering DP&L's energy efficiency programs. Subcontractors are contractually obligated to protect the confidentiality of this information. DP&L reserves the right to receive information from your thermostat manufacturer regarding your thermostat account, including, but not limited to, serial number, thermostat account activation, and information pertaining to your HVAC system. By receiving this rebate, customer is assigning the value of any related electric and or EE/PDR savings to the electric utility, including any PJM Interconnection, LLC capacity auction bidding rights.

### **Publicity**

DP&L reserves the right to publicize your participation in this program, unless you specifically request otherwise.

**Logo Use**

Customers or contractors may not use the DP&L program names or logos in any marketing, advertising, or promotional material without written permission.

**Disclaimer**

DP&L does not guarantee that energy efficiency measures purchased and installed or services provided through this program will result in energy and cost savings. DP&L is not responsible for the performance of the products purchased. DP&L is not responsible for any damage that may occur from the installation of products purchased on the Marketplace. DP&L reserves the right to deny or limit any rebate request. Rebate offer is only available while supplies last. In addition, no warranties on product or service installations are provided by DP&L, nor does the program warranty, guarantee or endorse the energy efficiency services provided by any specific contractor participating in the program.
